DESIGN EXPERIENCE

Wander.live — UX/UI Designer

May 2023 - PRESENT

Collaborated with cross-functional teams including developers, designers, and product owners to ensure efficient delivery of the product.

- Generating new ideas and creating new templates to improve current features.
- Conducting usability tests to back new ideas.
- Redesigning current pages and UI elements

Human Rights Media | Graphic Designer

May 2020 - Present

With a team of graphic designers, I have contributed to creating over 50+ youtube thumbnails that have helped increase the channel's views by the thousands.

Swordpoint Studios | UX/UI Designer

April 2022 - May 2022

Collaborated with a designer to redesign a website that develops gaming tools that streamlines the productivity of developers and artists.

- Conducted a competitive analysis to understand current pain points.
- Changed the overall experience by improving the user flow.
- Created a mood board that the company approved.

Gallerypal | UX/UI Designer

Jan 2022 - Jan 2022

Conducted a five-day Google Ventures Design sprint to design an art / museum app that would give users an enjoyable experience during a visit.

- Analyzed existing research data to define the problem and propose a solution.
- Delivered project deliverables under time constraints through rapid prototyping and testing.
